

Progressing Smartly Towards Success

In the far fledged community of village Saeedabad, UC Rustam, district Mardan lives Taj Wali s/o Said Wali. He is one amongst the livestock development project beneficiary financed with interest free loan in Phase 5 of this project.

Taj is a poor man who works on fields but is still unable to fulfill his family requirements. His family size comprises of six members in which he along with his wife, three sons and one daughter live.

Being uneducated himself he knows the significance of education in improving live hence he has taken on himself to educate his children. His eldest son Shahab Khan is studying in class six, Sadiq Khan, his second son is studying in grade two and his younger son Saddam Khan and Mariyam his cute little daughter are way too young to join school.

OSDI helped Taj by financing him PKR 69,000/- to purchase healthy livestock to increase his earnings. Before Eid ul Azha, Taj was able to generate PKR 103100/- by sale and purchase of livestock. At the end of the project cycle, Taj was able to repay his complete loan to OSDI and by continuous sale and resale he managed to earn almost PKR 100,000/-.

Through his continuous efforts to maximize his income he is finally able to move towards sustainability and provide better living condition to his family.

Taj Wali is very thankful to OSDI for initiating this project and seeks forward to participate in upcoming phases of this project.
