Siddiqui, Founder Trustee, Organization for Social Development Initiatives OSDI.***

OSDI and NCHD sign MoU to gain economic viability

KARACHI: National Commission for Human Development (NCHD) and Organization for Social Development Initiatives (OSDI), a Karachi based Social Policy Think Tank, have signed a memorandum of understanding (MoU) to collaborate and work together for poverty alleviation and economic sustainability and creation of jobs in the rural areas of Pakistan, says a Press release.

Both the organizations have mutually agreed to collaborate on improving the lives of the vulnerable people through engaging in education, health-care and livelihood programs in the focused communities of district Mardan (KPK), Thatta (Sindh) and Lasbela (Baluchistan). OSDI shall construct and renovate Temporary Learning Centers (TLCs) and Feeder Schools; along with donation of necessary school equipment to facilitate the students.

NCHD on the other hand shall, appoint and train teachers in all the educational facilities intervened by OSDI. Moreover, both the organizations shall support each other in School Based De-Worming program (SBDW), Ear, Nose and Throat (ENT) tests, setting up Free General Medical Camps (GMCs) in the focused communities and provide vocational trainings to empower the youth. Besides this, NCHD shall also facilitate in training of farmers in Livelihood Assistance Program (LAP) of OSDI.

A Memorandum of

KARACHI: Col. (Retd) Dr. Amirullah Khan Marwat, Chairman, National Commission for Human Development and Aasim A. Siddiqui, founder Trustee, Organisation for Social Development Initiative exchanging documents after signing MoU.

Understanding has been signed by both the organizations in a simple and graceful ceremony held the other day where Col. (Rtd.) Dr. Amirullah Khan Marwat, Chairman, National Commission for Human Development (NCHD) and Aasim A. Siddiqui, Founder
